

English

Our English this term will primarily focus on the emotion of the war. To begin with, we will be writing our own letters in the role of a soldier fighting in the war. These will be addressed to family members. Furthermore, we will study poetry and then write our own wartime poems. Throughout this topic we will be learning about the impact of the war and will be leaving our own personal tributes to those who have fallen.

P.E.

This half term indoor PE will be back to the usual Tuesday afternoon slot. We will be creating emotive dances.

Outdoor PE remains on Wednesday afternoon, where will learn about and play invasion games/

Maths

To begin with, we will be studying multiplication and then division in a range of different contexts. This will then move on to fractions of shapes and amounts, before learning about symmetry,

Science

In Science we will be investigating states of matter and the properties of solids, liquids and gases and conducting experiments relating to this.

World War 1

ICT

The children will be using the laptops to research famous people in the war and using this to create biographies.

RE

In the lead up to Christmas we will be discussing the concept of 'holiness' and holy figures in the Bible.

History

This project will be jam-packed full of fascinating history! There's the trenches, how the war started, key inventions of the time and key figures of the war.

Thank you for your support,
Miss Brennan and Mr Slattery
