

St James' CE Primary School – Mathematics Medium Term Plan: Year 1

wk	Autumn Term	wk	Spring Term	wk	Summer Term
1	Number and Place Value – Counting	1	Number and Place Value – Read and write numbers	1	Measurement – Time
2	Addition and Subtraction – Reading maths statements	2	Number and Place Value – Counting	2	Number and Place Value -
3	Measurement – Time	3	<i>Measurement – Money</i>	3	Multiplication - Arrays
4	Number and Place Value – Counting, reading and writing numbers	4	Addition and Subtraction – One and two-digit numbers	4	Shape – 3D shape
5	Measurement – Money	5	Multiplication – Pictorial representation	5	Position and Direction
6	Addition and Subtraction – Number bonds	6	Measurement - Time		Half term
7	Multiplication – Concrete objects		Half term	6	Number and Place Value
	Half term	7	Number and Place Value – Counting	7	Fractions – Quarters
8	Number and Place Value – One more and one less	8	Shape – 2D shape	8	Measurement - Capacity
9	Measurement - Length	9	Fractions – Halves of objects	9	Division - Arrays
10	Addition and Subtraction	10	Measurement – Mass and Weight	10	Addition and Subtraction - One Step Problems
11	Shape – Recognise and name 2D shapes	11	Division – Concrete objects	11	Measurement – Sequencing time
12	Consolidation – Christmas Maths	12	Number and Place Value – Identify and represent numbers	12	Summer Assessments
13	Consolidation – Christmas Maths	13	Position and Direction
