

St James' CE Primary School – Mathematics Medium Term Plan: Year 3

wk	Autumn Term	wk	Spring Term	wk	Summer Term
1	Number and Place Value – Counting in Multiples	1	Number and Place Value – Read and Write Numbers	1	Addition and Subtraction – Estimating and Inverse
2	Number and Place Value – Recognising Digits	2	Addition and Subtraction – Written Methods	2	Number and Place Value – Compare Numbers
3	Addition and Subtraction – Mental addition	3	Fractions – Diagrams	3	Fractions – Compare and Order
4	Multiplication and Division – Number Facts	4	Statistics – Tables and Charts	4	Fractions – Add and Subtract
5	Measurement - Length	5	Measurement - Time	5	Multiplication and Division – Number Facts
6	Shape – 2D	6	Shape - Angles		Half term
7	Statistics – Bar Charts and Pictograms		Half term	6	Addition and Subtraction – Problem Solving
	Half term	7	Addition and Subtraction – Written Methods	7	Number and Place Value – Number Problems
8	Addition and Subtraction – Mental addition	8	Number and Place Value – Number Problems	8	Fractions - Problems
9	Fractions – Count in Tenths	9	Fractions – Recognise and Write Fractions	9	Multiplication and Division – Problem Solving
10	Measurement - Money	10	Multiplication and Division – Written Methods / Number Facts	10	Shape - Lines
11	Multiplication and Division – Written Methods	11	Measurement - Mass	11	Measurement – Volume and Capacity
12	Shape - 3D	12	Shape - Turns	12	Data Handling – Problem Solving
13	Measurement - Time	13	Data Handling – Problem Solving
