## Funds Update

Total raised at **Winter Wonderland** on the night was £881.04 (Including the Chocolate Tombola which raised £394) plus an extra £83.85 raised on the table sale after school on the 13<sup>th</sup> December selling remaining stock giving a **total for the event of £964.89.**

**The Christmas crafts raised £228** (thank you to Sarah Dewey & Angie Howard-Tomes for organising this event)

**Giving an amazing Christmas Profits Total of £1,192.89**

Well done everyone. Last year these two events raised £669 in total together, so this year is truly an amazing effort by everyone who assisted and supported!

A huge thank you to all those involved – to everyone who bought tables and to those who donated chocolate, cakes and biscuits; stall items, games, sweets, grotto decorations etc etc.

Special mentions must go to Shelley Kasseum (Year 1) who made and donated all the lovely Reindeer dust bags and to Brett Milner who donated all his profits on the cake stall and to Helen Hall who sourced and organised all the santa gifts in the grotto plus the class gifts for the Christmas parties and to Allie Stopler for collating and organising the Grotto tickets.

Thanks to all the class reps who did an amazing job of organising their tables, (some making their games themselves – snowman and tinsel pull were amazing) to all who came to help put up and clear away the grotto, to all those who attended the events; to Mr Payne and the teachers for their much-appreciated support in attending and pushing the event to the children and finally to Mr Broyd's amazing efforts and preparations behind the scenes!! I'm sorry if I've forgotten anyone but this was truly a team effort, so thank you all.

Victoria Leamon (event co-ordinator)
