

In English we will be looking at Poetry; studying poems from WW1 and then creating their own performance poetry focusing on generating imagery for their audience.

The children will also be writing letters which we will be using in our art project.

In PE the children will be developing their athletic skills, looking at accurate throwing and catching. They will also be developing their teamwork and communication skills.

The children will also be taking part in golf lessons, which will take place on a Thursday afternoon.

In ICT we will be looking at E Safety and the children will learn the basic of Scratch.

Thank you for your support,
Mrs Dobson & Miss Martin

Throughout this project, we will be looking at different aspects of WW1. We will be researching famous figures throughout this time and looking at how they contributed through their roles in the war.

These aspects of the war will include:

- Women and their role
- Weapons in the war
 - Propaganda
- The use of animals
- Life on the front line

We have our exciting visit to the tank museum on **15th November 2018**.

We will be holding a whole school outcome where we will share all the children have learnt throughout this topic. Please keep an eye on the website for this date.

In Maths, we will be looking at angles and fractions and decimals looking at their place values of tenths and hundredths.

We are hoping to cement and further our knowledge in multiplication and division, looking at partitioning and other written and mental methods.

We will also be looking at 2D and 3D shapes; learning their names and their properties.

In Year 5 our project is...

WW1

In RE, we will be looking at Salvation and what Jesus did to save human beings.

Gym is on a Wednesday and Games is on a Tuesday.

In Art, we will be looking at poppies and creating a whole school mural to display in the hall.
