

# Curriculum Overview

## Term 6

### Summer 2

#### Communication and Language and Personal, Social and Emotional Development

Over this term, we will be retelling the story of 'the Very Hungry Caterpillar'. We will be learning new vocabulary we can use in our everyday conversations and we hope you ask us about the words we have been learning.

#### Understanding the World

We will be finding out about different animals from minibeasts to wild animals. We will be visiting Longdown Dairy Farm to learn even more facts about farm animals.

#### Phonics

We will be recapping our phase 2 & 3 sounds alongside using those sounds in different environments. Please practise your word walls, recognising sounds and writing at home. Remember to write in your child's reading record when you have read at home.

#### Maths

We will continue all of the maths work we have learnt over the school year. We will build on our number bonds to 5 and go up to 10 looking at addition and subtraction methods.

#### Physical Development

The children will continue to build and explore during Let's Explore sessions.

We will also be continuing our gymnastics in the hall and ball games outside.

Our topic this term in EYFS is 'Brilliant Bugs and Beasts'

#### Literacy

The children will be looking at the story 'The Very Hungry Caterpillar'. We will look at story language such as once upon a time and use this in our own writing.

We will create our own story maps to retell the story with the actions we have learnt as well as write about the lifecycle of a butterfly.

We will also be writing about our visit to Longdown Dairy Farm.

#### Expressive Arts & Design

We will be creating characters for the story 'The Very Hungry Caterpillar'.

We will be creating our own bug hotels using different resources.

The children will explore the artwork of Yayoi Kusama and create their own work inspired by her work.
