

Home Learning for Term 1

Each term we will share with you, a selection of activities that you could complete at home that complement our project. We would like you to complete at least two pieces of work over the half term.

Please bring in your home learning, to share with the class, as soon as you have completed it.

All About Me is our project and we will focus on the two books: The Colour Monster.

Make

Pretend you are a zookeeper. You could use toys that you have at home or be the animals yourself. Ask your adult to record you telling us about your zoo and the animals. Remember to share on Tapestry.

Create

Create pictures of colour monsters using paints, colouring pencils or even collaging.

Visit

Visit the beach and make a sand sculpture of yourself. You may use shells or eyes and sticks for hair.

You could make different faces and make them have different emotions.

Maths

Can you count some stairs as you walk up or down them?

When you go on a walk can you recognise the numbers on the houses?

Write

Draw a picture of people that are special to you. It could be someone in your family or a special friend or pet.

Try to write your name, their name, single words or a sentence as a challenge.

Books to read

Choose a book from the library or your own bookcase at home.

You may like to read The Colour Monster:

The Colour Monster by Anna Llenas
