

English

For the first week of term we will be writing fact files having learnt all about Victoria and Malawi Lakes. After this, we will be studying famous explorers and writing biographies about them.

P.E.

This term in indoor P.E. we will be focusing on fitness. In outdoor lessons, we will be learning invasion ball games.

RE

This half term we will be completing the Understanding Christianity unit of 'The People of God'.

Science

This half term we will be looking at states of matter and understanding the properties of solids, liquids and gases.

Maths

We will be revisiting place value to begin this half term in a range of different contexts, before using this as a platform to extend our knowledge of all four mathematical operations.

French

We will be looking at learning language linked with ourselves.

PSHCE

We will be looking at positive friendships, including our online friendships.

Geography

In Geography lessons we will be looking at settlements and land use and gaining a greater understanding of how to survive the great outdoors.

Design and Technology

This term, we will be looking at savoury cooking and contextualising this to surviving in the wild!

Computing

We will be naming and looking at the different functions/ components of a computer and in E-Safety we will be looking at self-image and identity.

Music

In Music we will be welcoming in a local teacher who will lead our lessons with samba drums.

Survival!

Reading

Our whole class reader will be 'You vs The World. The Bear Grylls Guide to Never Giving Up'.

Thank you for your support,
Mrs Talbot and Mrs Pine
