Survival

Project homework to be completed by Friday 16th October 2026

Our project this half term is Survival. Please choose at least one task to complete over the course of the project. You are welcome to do more than one.

<u>Create</u>	<u>Write</u>	<u>Visit</u>	<u>Research</u>
Build a den indoors or outdoors! We'd love to see your den building skills so please take photos to share with the class.	Oh no! You are stuck and stranded on a desert island. Write a diary entry on your adventures. Maybe you had to purify water or escape from the claws of a mighty bear?	Explore the great outdoors and visit the famous Brownsea Island in Poole Harbour to follow in the footsteps of Lord Baden-Powell.	How has technology changed since Lord Baden-Powell was camping in 1907 to present day?
<u>Draw</u>	<u>Discuss</u>	<u>Watch</u>	<u>Learn</u>
Design a survival pack for Bear Grylls. What do you need to include so he is safe on his adventures? Can you invent a new gadget for him to use when exploring the great outdoors?	Discuss with your family what 3 things you would take to a desert island and why. Are your items the same as your family members? Present your findings in any way you choose, e.g. PowerPoint, poster or video clip.	Join the adventure with Bear! Watch 'Bear Grylls Survival School' which can be found on ITV Player. Make some notes to share with the class.	Learn how to cook a 'camping style' breakfast. You could go for a bacon buttie, scrambled eggs or something trickier like pancakes or French toast. Enjoy your tasty treat!
