

In English, we will be exploring the exciting world of myths and legends and creating our very own mythical creatures. We will develop our narrative writing skills and learn how to bring stories to life through script writing.

In maths, we are following the White Rose curriculum, starting with Roman numerals and our place value module.

In History, we will be learning all about Ancient Greece, democracy, The Olympics and we will explore stories like the Trojan War.

In Geography, we will be exploring the fascinating country of Greece! We will learn about its climate, cuisine and tourism, as well as discovering what makes Greece such a popular destination.

Our class book is *Who Let the Gods Out* by Maz Evans.

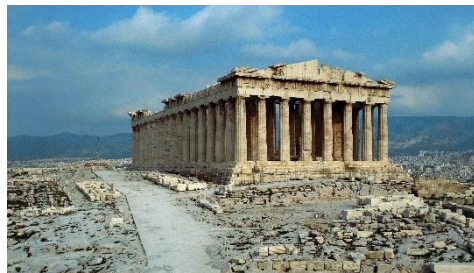

In computing, we will be learning about Databases and how data can be searched and sorted in a variety of ways.

In DT, we are learning about mechanisms, including gears, levers and pulleys.

In science, we are learning about properties and changes of materials.

In art, we are learning about sculptures and looking at work by Ancient Athenian architects.

Ancient Greece

In RE, we will be learning about Islam and Salat.
