

In **French** we will be looking at animals and Christmas.

In **PSHE**, we will be learning about healthy boundaries in families and friendships, how to respond safely to others, and the impact of hurtful behaviour.

In **Geography** we will be learning about local geography and the location of our school using maps.

In **English** we will be linking our learning with our project, starting by looking at Oliver Twist and writing a historical narrative. We will then be writing our own biography relating to our book 'Great Women Who Changed the World'.

In **PE**, the children will be learning to play a number of different games outside (Football and Rugby). For indoor PE, we will be

In **Computing** we will be learning all about email and following the syllabus on Purplemash to support this.

In **DT** we will be exploring different types of bridges and how their shapes, materials and supports make them strong and stable. We will design, build and test our own bridges, using prototypes to improve our ideas and meet our design

In **History** we will be learning all about the Industrial Revolution. Looking at how Britain changed during this era and how transport played a part in this. We will also be comparing this to our local area including how the Railway Revolution changed Bournemouth and Dorset.

In **Maths** this term we will complete our unit on addition and subtraction before moving on to cover multiplication and division, beginning our learning on the 3, 4 and 8 times tables.

In **Science** we will be learning all about forces and magnets.

In **Music**, the children will be creating and performing rhythms, singing and playing instruments together, and developing their improvisation skills.

In **RE** this half term, we will introduce the children to another world religion: Judaism. We will focus on the celebration of Hanukkah.

Railway Revolution

Thank you for your continued support,

Mrs Johnson, Mrs Allery and the Year 3 Team

Our PE day is Tuesday
