Year 4 Festivals – Project Homework

Please bring in your homework, to share with the class, as soon as you have completed it.

Final date it's due: **Friday 11th December.**

Our project this half term is Festivals. Please choose at least two tasks to complete over the course of the project.

Design

Design a costume to be worn at a festival and label it.

Design a new flag to celebrate a festival. Can you use collage to complete it?

Create

Make a traditional food that is eaten at a festival of your choice. E.g Write instructions on how to make it and include a photo of the dish you have made.

Interview

Talk to someone you know who has been to a festival. Prepare questions to ask them and record their answers either by writing them as an interview or orally.

Research

Choose a festival from another religion and make a fact file about it. e.g *Holi, Semana Santa, Hanukkah, Day of the Dead.* Which religion/country? When is it celebrated? Why is it celebrated? What happens during the festival?

How many British festivals can you find? Eg. Pancake day, Mother's Day, Christmas, Easter. Make a calendar to show the dates of these festivals and illustrate it.

Write

Invent and describe an imaginary festival to celebrate a calendar event such as the middle of winter, the first day of autumn, etc.

Write a poem about a Festival of your choice. It could be an acrostic or Kenning poem.

Write a newspaper article about a festival of your choice.

Books to read

Choose a book from the library about Festivals and write a book review about it. You may like to read one of these.

Celebrations and Festivals by Christopher Corr
Light Your Candle – It's Diwali by Prisha Laska
Hanukkah Bear by Eric Kimmel
What do You Celebrate? By Whitney Stuart
The Firework-Makers Daughter by Philip
