Use information books and the internet to find out about Guinness World Record holders with superhuman talents. Prepare a poster or presentation showing what you found out. Research your favourite superheroes. Make Top Trumps cards.	Make a model of a superhero using a material of your choice. Make a model of your favourite superhero scene from a movie. Use any materials you like. 	Who is your hero? Bring in a picture of them and write some sentences about why they are your hero. Take pictures of yourself being a 'superkid' at home. Maybe you tidied your room without being asked or helped to wash the dishes? Bring your pictures to school to explain to us what you did and how it helped your family.	Read a newspaper or watch the news with a grown up. Make a note of any stories about people doing heroic things. Read a superhero story and write a book review. 
Write I f you could have a super power what would it be and why? Write about the adventures you would have with this super power. A poem about your everyday hero. Write a newspaper report.	**Perform** Write your own superhero song and perform it for the class (or record it at home and bring it in to show us!) Create a superhero dance.	**Design** Design a superhero suit. Design a new superhero (e.g. Anti-Litter Man). Think carefully about what their super power will help with.	**Watch/Listen** Listen to your favourite superhero theme tune. Can you learn the words and sing along? Watch a film about a superhero. Who is your favourite character? Why? Did they do anything heroic?
