# Home Learning for Term 2

Each term we will share with you, a selection of activities that you could complete at home that complement our project. We would like you to complete at least two pieces of work over the half term.

Please bring in your home learning, to share with the class, as soon as you have completed it.

This term the topic is 'Woodland Wonder!'

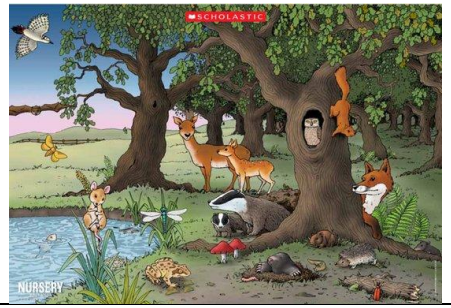

## Make

Make your own Gruffalo crumble at home. What ingredients will you use? How long will you bake it for? How does it taste?

## Maths

Create a forest scene using different materials. What forest animals will be hidden in your forest scene?

## Visit

Moors Valley has a fantastic Gruffalo themed walk. You could visit Moors Valley and upload photos to Tapestry to share with the class.

## Research/websites

Explore Mini Mash.
Can you create a woodland creature on the painting app?

purple mash

## Write

Can you draw a monster? Can you describe your own monster? What would it look like? How would it sound? What would it eat?

## Books to read

Look at Julia Donaldson themed stories. You could visit your local library to find some more Julia Donaldson books or there are lots to watch on 'YouTube'.
