Friday 19th January 2024

Dear Parents and Carers,

Year 1 Science Dome Experience – Thursday 29th February 2024

We are very excited to inform you that on Thursday 29th February, we will be welcoming the local Science Dome company into school. They will be completing a series of interactive workshops with our Year 1 children focusing on different materials, their properties and what they are used for. This links with our Muck, Mess and Mixture topic!

The company is very well respected within the local educational community and they have previously completed a number of immersive days at St. James', alongside other local schools.

In order for this excellent opportunity to go ahead, we are asking for a voluntary contribution of £11 per child. **Please could this be paid via Arbor (trips) before Friday 23rd February 2024.**

If you have any questions about any of this, please do not hesitate to contact the Year 1 team.

Yours faithfully,

Miss Pain, Mrs Allery & Mrs Stoodley
