

In **English** we will be continuing to revise reading comprehension techniques and all aspects of grammar. We will also be learning about Chinese myths and legends and creating our own creative myth or legend.

In **History**, we will initially be studying the achievements of early civilisations. After, we will be exploring Ancient China including key dynasties of China, the Terracotta Warriors and a whole array of Chinese inventions.

In **Computing**, we will be learning about how technology can be used to create quizzes.

Thank you for your support,
Year 6 Team.

In Year 6 our project is...

The Shang Dynasty

In **Science**, we will be studying animals, including humans. In particular, we will learn about the circulatory system and the

In **RE** we will be exploring the Resurrection and Salvation and looking at the question, 'what difference does the Resurrection make for Christians?' We will be exploring the work of He Qi who provides a Chinese Christian view of bible stories. We will also be looking at how Christians celebrate Easter.

In **Maths** we will be revising all key topics in both arithmetic and reasoning. We will also be using our problem solving and reasoning skills to work on real life problems and being able to apply our thinking to a range of challenges. We will also be looking at decimals and percentages.
