

Curriculum Overview

Our topic this term in EYFS is 'People Who Help Us'

Literacy

The children will be looking at a range of stories about different professions. We will be writing wanted posters as well information fact files about different jobs.

We will have different people visiting us this term including people from the RNLI & Fire Station. We will write thank you letters to the visitors who have come to see us.

Expressive Arts & Design

During this term the children will use junk modelling to make rescue vehicles. They will plan, create and decorate their models.

The children will continue to use different technology and explore Purple Mash.

Term 5

Summer 1

Communication and Language and Personal, Social and Emotional Development

Over this term, we will explore different job roles. We will think about what we may want to do when we get older.

Understanding the World

We will find out about different jobs and what they need to use in order to do their jobs. We will ask our visitors lots of questions too.

We will explore floating and sinking through our science lessons and make our own oil lava lamps!

Phonics

We will be recapping our phase 2 & 3 sounds and tricky words. We will practise reading and writing longer words on our own. Please continue to practise word walls with your child this term.

Maths

The children will continue to explore addition and subtraction. We will focus on beginning to automatically recall those number bonds to 5 in different ways and environments. We will also look at doubling and halving.

Physical Development

The children will continue to build and explore during Let's Explore sessions.

In PE, the children will be looking at gymnastics in the hall and ball games on the playground.
