

## **St. James' CE Primary Academy**

### **Primary PE and Sport Premium Action Plan: September 2022-2023**

#### **Schools can use their Sports Premium to:**

Offer teacher training and to hire qualified sports coaches to work with teachers

Provide resources to help teach PE and sport more effectively

Introduce new sports or activities and encourage more pupils to take up sport

Support and involve the least active children by running or extending school sports clubs, after school and holiday clubs

Entering sporting competitions

Run sports activities with other schools

#### **The Sports Premium should not be used to:**

Employ coaches or specialist teachers to cover planning preparation and assessment arrangements

Teach the minimum requirements of the national curriculum (or, in the case of academies and free schools, to teach their existing PE curriculum).

Focus this Year: Inclusion, SEN and Pupil Premium in sport.

Total funding for 2022-23: **= £19,500 (PAN £16,000 plus £10 per pupil,  
7/12th available Oct/Nov, 5/12th available April/May)**

The Premium will be used to improve provision for PE and Sport and give pupils the opportunity to develop a healthy, active lifestyle

	Jana Janoskova PE Coach	<b>£11,150</b>	New	To plan. Deliver and monitor a coordinated programme of high quality, professional coaching that is progressive and reflective of the needs of children and supports the aim of increasing participation in PE and school sport by all children.	All Year	<p>This will lead to positive steps to identify and overcome barriers to participation amongst children prioritising access and inclusion.</p> <p>Encourage pupils to interact with others to promote high levels of physical activities. Encourage pupils to act independently as appropriate.</p>	<p>PE Lead to monitor sessions and report back to SLT and Vice Principal</p> <p>Positive Feedback</p> <p>Positive Performance Management Reviews.</p>	<p>As Jana is a qualified fitness coach, we have used these skills within a small intervention group of SEN/PP children. These intervention groups have helped these children in their own personal developments through playing sports and general fitness training. As Jana can speak Polish, we have started intervention groups just for our Ukraine children. (many of them understand Polish). This enables the children to develop a bond together and be able to speak together. As this intervention is linked with fitness this is helping with their general wellbeing. Having Jana within school lessons, enables us to have smaller</p>

								groups so that we can make a better impact when teaching a sport.

next funding allocation  
2023 -24

## **Swimming and Water Safety**

	For completion:
The percentage of Year 6 pupils who could swim competently, confidently and proficiently over a distance of at least 25 metres when they left the academy at the end of last academic year?	35/60
The percentage of Year 6 pupils who could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left the academy at the end of last academic year?	37/60
The percentage of Year 6 pupils who could perform safe self-rescue in different water-based situations when they left the academy at the end of last academic year?	14/60
Schools can choose to use the primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?
