

In **French** we will be looking at animals and Christmas.

In **PSHE** we will be looking at respectful behaviour and the importance of self-respect, courtesy and being polite.

In **Geography** we will be learning about local geography and the location of our school using maps.

In **English** we will be linking our learning with our project, starting by looking at Oliver Twist and writing a historical narrative. We will then be writing our own biography relating to our book 'Great Women Who Changed the World'.

In **PE** the children will be learning to play a number of different games outside. For indoor PE we will be looking at fundamentals.

In **Computing** we will be learning all about email and following the syllabus on Purplemash to support this.

In **DT** we will be understanding and using mechanical systems such as gears and pulleys in creations. We will also be learning about Isambard Kingdom Brunel and how he contributed to the Industrial Revolution.

In **History** we will be learning all about the Industrial Revolution. Looking at how Britain changed during this era and how transport played a part in this. We will also be comparing this to our local area including how the Railway Revolution changed Bournemouth and Dorset.

In **Maths** this term we will complete our unit on addition and subtraction before moving on to cover multiplication and division, beginning our learning on the 3, 4 and 8 times tables.

In **Science** we will be learning all about forces and magnets.

In **Music**, the children will be listening to and playing glockenspiels.

In **RE** this half term we will be introducing the children to another world religion – Judaism. This term we will focus on the celebration of Hanukkah.

Railway Revolution

Thank you for your continued support,
Miss Finnigan, Mrs Talbot and the Year 3 Team

Our PE days
are Friday
